## FUNDRAISING UPDATES

### FOOD TRUCK FUNDRAISER: \$3092

Food Truck Thursdays have been a great success this season!  
Each week we receive 10% of the food truck's profit for that day. All proceeds raised from our food trucks go towards funding our summer support program!

### IMPRESSION'S BAKERY DONUT FUNDRAISER: \$890

We collaborated with Impression's Bakery in June, creating the limited edition blue raspberry donut! Each one sold raised \$1.00 for programs at CLNP!

### LITTLE B's BAKERY COOKIE FUNDRAISER: \$887

The summer students collaborated with Little B's Bakery in August to raise funds for the summer support program! They sold a total of 521 bags of cookies, well done!

### NORTH PERTH FIREFIGHTER'S BREAKFAST: \$2000

Thank you to the North Perth fire department for their donation in August! The proceeds from the Fireman's Breakfast will go towards the Bring Us Home campaign.

## CAMPAIGNS

### BRING US HOME

Our new campaign officially launched in June! We're asking for your heroic effort to help us raise \$4 million. Every single dollar will go toward building a unique home where youth and adults with developmental disabilities can live in safety and dignity. You will help create eight full apartments with private living quarters, shared gathering spaces, and 24 hour professional care.

## PROJECTS & UPDATES

### Accreditation

Accreditation is an evaluation process that assesses the quality of community support agencies. In May CLNP was awarded with the highest level: Accreditation with Exemplary Standing!

### Compliance

Compliance is the annual inspection carried out by the MCCSS to ensure we meet all the required regulations. In July 2024 we passed our compliance inspection with no areas of non-compliance!

### Annual General Meeting

We held our AGM on June 19th. Guest speaker Ene Underwood and a panel of community members discussed the housing crisis and helped launch our Bring Us Home fundraising campaign!

### HR Grant Acquired

In March the Ontario Trillium Resiliency Fund approved a 2-year grant to help CLNP improve Human Resources processes! Shannon Ostriyznick took the role of Employee Relations Lead.

### Purchased New SGL House

In May, with support from MCCSS, CLNP took possession of a new house in Listowel! With this new facility we will be able to support individuals with complex behavioural needs. The house will be fully operational in October!

### Increased Office Security

In August we improved the office security by installing alarm sensors and a 24/7 surveillance system! This will set some deterrents to keep away vandals.
