PROJECTS & UPDATES

Teaching Kitchen

The accessibility upgrades funded by Service Canada at our office 820 Main St East are now complete. The kitchen has been renovated to better support accessible teaching activities.

Spring All Staff Meeting

Staff gathered for our annual Spring All-Staff Meeting, with a guest speaker from the Ontario Caregiver Association, interactive learning, and organizational updates.

Bring Us Home Rezoning

On June 22, council approved the rezoning application for Main Street housing project without changes. This approval allows the project to move forward as planned, with no revisions to the design.

Compliance

Compliance is the annual inspection conducted by the MCCSS to ensure that all required regulations are being met. In May 2026, we successfully passed our compliance inspection.

Ice Cream Social

Students from East Dale Public School joined us for an Ice Cream Social, where we enjoyed lawn games and ice cream together. It was a great opportunity to connect and have fun!

Modular

We're excited to share that we are moving forward with replacing the modular home at Mapleton Estates. The new building will support several people receiving Supported Independent Living (SIL) services.

ADVOCACY UPDATES

On April 27th, members of our self-advocates group met with Matthew Rae MPP for Perth Wellington. MPP Rae listened to concerns regarding housing, transportation and trying to make ends meet with the rising cost of living. The self-advocates did an excellent job of conveying these messages.
