FUNDRAISING UPDATES

Municipality of North Perth

Thank you to the Municipality of North Perth for your generous donation of over \$600, raised through their Staff Appreciation BBQ in support of Community Living North Perth. Your support helps strengthen our programs and services, creating meaningful opportunities and making a positive impact for the people we support.

Cornerstone Thrift

A sincere thank you to Cornerstone Thrift for selecting Community Living North Perth as the recipient of its Community Partner Day. Through their generous support, and thanks to everyone who shopped and donated, an incredible \$654.15 was raised for CLNP. We are truly grateful for our community.

PROJECTS & UPDATES

Modular

The design has now been finalized and will increase capacity by 50%. It will also include a shared teaching kitchen to support individuals in the Supported Independent Living Program.

Transportation Program

Our new Transportation Service officially launched on July 6. The service is helping to promote independence and increase access to community activities, appointments, and other opportunities. Individuals interested in registering for the program or learning more are encouraged to contact Coby.

Stair Lift

A new stair lift has been installed at the CP Hub, enhancing accessibility within the building. This project was made possible through funding from the Roots Community Grant, helping to create a more accessible and inclusive space.

Pension Plan

Work is underway to introduce the CAAT Pension Plan, providing employees with access to a pension plan that supports their future financial well-being.
